

Dear VHDF (Versatile Hunting Dog Federation) and SRVHDC (Snake River Versatile Gundog Club):

I would like to formally thank all of my fellow members of this organization for sending me to this wonderful camp, I learned so much and most of the things that I learned I will never forget. I recently spent thirteen days outside of Raton, New Mexico at the Whittington Adventure Center.

At the center there were 12 cabins with two counselors per cabin, I was with six other guys that I became good friends with. We would be engaging in activities from 5 A.M. to 9 P.M. each day. Every camper got to shoot a wide spectrum of fire-arms varying from all types and calibers, we also engaged in survival, hunter education, building fires, and compass knot tying. All campers got to shoot a Barrett .50 caliber rifle at 1000

yards. We also attempted to hit a target at 1123 yards with a .308 savage rifle with a Leopold scope called the white buffalo, and if you hit it you got a T-shirt, and I hit it! Furthermore, I learned so much at this camp, and I am pleased to say that I got second place in both Muzzle loader and Archery sections of the camp, the prizes I acquired were two Otis gun cleaning kits, a Winchester field box and a Blackhawk hydration pack.

I was thrilled, and I was also honored to represent VHDF. I will never forget this experience and I will be a lifelong member of the Versatile Hunting Dog Federation, I can never thank everyone enough, it was truly a once in a lifetime experience.

Sincerely,
Bradley Eugene Spencer
